The maid servant is missing from her home for past 15days.

But when he finally traces him and reached his home to interrogate him, Mr.Akash is found dead in the bath tub of his apartment. A kitchen knife is found stuck in his back as well and a pool of blood in the bath tub mixed with water.

The suspicion now turns to third person, Miss.Padmini's business partner Mr.Agarwal in Dubai, who had visited India three days before her murder occurred. He left from India from Mumbai airport on 12.00midnight flight on Feb 20<sup>th</sup>, the day the murder occurred.

CBI Officer Amit rushes to Dubai to nab the culprit Mr.Agarwal but to his amazement finds him murdered in the same manner on his arrival.
